Major John R. D. Cleland  
U. S. Army Command and General Staff College  
Fort Leavenworth, Kansas

Dear Major Cleland:

I wish to express my appreciation for your official services offered during my recent visit to your College. As an escort officer you were very considerate and efficient in meeting my needs.

I also want to thank you and your wife for your hospitality extended to me on Monday during the dinner and visit in your home.

As I told you personally, any time that I may be of service or assistance to you in this area, please contact me by mail or visit me in person.

Enclosed is a copy of the letter I sent to General Johnson.

Sincerely yours,

STATINTL
